### DAILY CATCH-UPS

Tai Hang, a quiet and charming little neighbourhood tucked away from the hustle and bustle of Causeway Bay. Home to a diverse group of neighbours, family-owned local restaurateurs can be seen having their daily catch-ups with the nearby mechanics. A relaxed setting that is constantly growing and changing, inviting old and new friends, especially for the neighbourhood festivities.

Tai Hang's legendary Dragon Festival has been a celebrated tradition since the 19th century, where Tai Hang residents would perform a breathtaking 'dragon dance' to stop a run of bad luck afflicting the neighbourhood. The performance is made up of a 67-meter dragon fused with 70,000 incense sticks and carried out by nearly 300 performers for three consecutive nights during the Mid-Autumn Festival.
